Fabric Choice

The entire ShadeTech® fabric range is suitable for use with Draper Flexshade roller blinds.

Alternatively, they can be manufactured using the fabric selected by the specifier or client.

Maintenance

Draper Flexshade roller blinds are made from high quality materials.

Cleaning regime depends upon fabric specified. Most can be wiped clean with a damp cloth.

Quality and Guarantee

Draper warrants to the End User that its products are free from defects in material and workmanship for the period of **10 years** for the mounting hardware and fascia and **5 years** for the motor and components.
