

DIMMER IV

Dim-out fabric in Trevira CS; Innovative fabric for darkening rooms with the highest demands on aesthetics and functionality. The look, soft feel and flowing drape of this complex development are unique. Dimmer has been a bestseller since 2002 and can be used for multifarious applications in both the residential and contract sectors. The established classic impresses with its elegant colour palette with subtle nuances such as sand, rosé, terracotta or sage and in the noble, dark range with deep night blue, fir green, deep purple or ruby.
